CL-210CNC-AF CNC Auto Feed 2'' x 10'' Small Parts Lathe \$18,390.00

Optional

Square Blank Material Infeed Device \$560.00

Square Material Holding Chuck \$139.00 each Different Size

Future:

- Suitable for mass production, such as all kinds of wooden small sizes parts, Bead, barrel, gourd pendant, hoist pieces, wood rhinoceros-horn, cup, bowl, whip, cigarette holder, ashtray, scroll painting head, wooden handle etc
- Automatic feeding, knives to complete multiple workpieces, processing speed, high validity.
- The machine adopts welding structures, high temperature annealing and vibration stress treatment, weighs 450kg, and occupies a small area.
- Professional for small craft wood processing.
- Easy to learn control panel system, with USB interface, no computer can be easily operated
- Adopt high precision ball screw and rhomboid guide rail, high precision and long life.

- Compatible with a variety of CAD/CAM design software, such as Type3, ArtCam, etc.
- The speed can be adjusted by the frequency converter, or the speed can be seen on the panel of the control cabinet

Specification

- **Maximum processing length: 10" (250 mm)**
- **Maximum processing diameter: 2-1/4" (58 mm)**
- **Through hole diameter: 2-3/8" (60 mm)**
- Spindle motor: 2 HP (1,5 KW) 3 PH brake motor.
- Driver: YHKO 2D68
- Working voltage: 220 V 3 PH
- Horizontal axis transmission: 2010 ball screw.
- Longitudinal axis transmission: 2010 ball screw.
- Horizontal axis drive: 86 stepper motor.
- Vertical axis drive: 86 stepper motor
- Guide rail: 20 square rails
- System: Offline G Code Controller
- Software: Complimentary path generation software.
- Software recognition format: PNG
- industrial control computer host
- Machine size: 95" L x 48" W x 51" H
- Machine weighs 4990 lbs

(Training and installation, tooling & rigging are optional)

(Customer is responsible for local regulations and connecting utilities)

The price is F.O.B. Los Angeles CA USA. Tooling, rigging, freight & sales taxes are not included.

Full Payment with order or 50% deposits with confirm order, 50% before shipping.

If there are any questions, please feel free to call us at 1-(626) 968-6330 or e-mail to us at info@castalymachine.com

(Price may vary, please check our website at www.lobomachine.com for the current price list)
